

# FEATURED PROJECT

## SPA CATAWBA

NEW SPA & WELLNESS CENTER - Lakeside Marblehead, Ohio

### OVERVIEW

Spa Catawba wanted room to expand their offerings and be more accessible to the public. Their new facility has four treatment rooms, a waiting/relaxation lounge, couples' suite and a lash and brow room. They have a floatation tank and a classroom for different offerings such as yoga, pilates and more.

### PROJECT DATA

8 MONTHS

Year: 2021

Area: 5,800 SF

*"We are so glad that we went with Janotta & Herner for our new spa and wellness center. Our project was delivered on time despite a few changes to the building after the project started. The supervisor was extremely skilled and knowledgeable in both construction and customer service. I can't say enough good things about him and the entire Janotta & Herner team!"*

Stephanie Sprenger  
President

### SELF PERFORMED WORK
